The rates above are what we pay you for Risk-Free administrations (and any At-Risk doses we're able to successfully bill). A vaccine will be considered Risk-Free if the following three criteria are met: 1) Check In – The patient is checked into our system via the VaxCare portal and receives an Eligible response. 2) Age Indication – The vaccine is given within the age indications of the manufacturer. 3) Check Out – The patient is checked out via the VaxHub within two business days.
